All lots (including machinery, timber, plant or other property) are to be bid for and taken as the same notwithstanding in their present position and condition. Any warranties which might otherwise be implied by the Sale of Goods Act 1995 are excluded and shall not apply. The Auctioneer and the Vendor make no warranties and give no guarantees other than warranty implied by the common law or by any State or Federal law, the exclusion of which warranty would render this condition void or voidable or which would constitute an offence by the Auctioneer or the Vendor.

In addition, no warranty shall be implied from any statement made at the time of sale or otherwise, but in all cases where an express representation or warranty (other than as aforesaid) is intended, the same shall attach and be enforceable only if reduced to writing and signed by the Vendor or by the Auctioneer as agent for the Vendor.

Such removal and/or storage (whether made for the safety of the goods or for the convenience of the Vendor or for the convenience of the Auctioneer or to enable resale of the goods pursuant to condition 13 or otherwise) shall be deemed to have been made by the Auctioneer at the request of the Purchaser and all costs incurred by the Auctioneer or the Vendor in relation to such removal and/or storage shall be immediately payable by the Purchaser to the Auctioneer and the Auctioneer may sue for and recover the same as liquidated damages.

### 12. PROPERTY IN GOODS

### 13. RESALE ON DEFAULT

If the Purchaser shall default in the observance or performance of any of his obligations under the conditions or any independent contract with the Auctioneer or Vendor or if any cheques given on account of his purchase at the auction are dishonoured, then any moneys which the Purchaser shall have paid to the Auctioneer on account of his purchase or purchases shall be absolutely forfeited to the Vendor or Vendors of the lot or lots concerned and the Vendor or Vendors or the Auctioneer shall be at liberty to sue the Purchaser for damages or at their option and without notice to the Purchaser to resell the lot or lots in any manner (including sale by private contract) and upon such terms and conditions as they may think proper.

### 15. AUCTIONEER BIDDING

### 16. INTERPRETATION

- (a) The headings of the clauses hereof are for convenience only and do not form part of the context nor is the context limited in any way by reference to such headings.
- (b) "Auctioneer" means STEERS PTY. LIMITED. (ABN 97 002 663 443) except that where the context so permits it shall include the person actually conducting the sale on behalf of STEERS PTY. LIMITED.
- (c) "Vendor" includes each and every one of the owners of a subject lot and the person or company instructing the auctioneer to offer that lot for sale, and where more than one, jointly and severally.

### NOTE:

"PROPERTY, STOCK AND BUSINESS AGENTS ACT"

### SECTION 45

It is an offence against the Property, Stock and Business Agents Act for any person to engage in, or induce or attempt to induce another person to engage in, any collusive practice which may hinder free and open competition at an auction sale whether by -

- (a) Retracting the bidding
- (b) Abstaining from bidding or
- (c) Any other activity which may hinder free and open competition.

The consideration for any supply made under these conditions is exclusive of the vendor's liability for GST. The bidder, as purchaser, shall pay to the vendor, in addition to the total purchase price accepted by the Auctioneer or the Vendor, the amount payable by the Vendor as GST on the taxable supply made by the Vendor under these Conditions. The Vendor shall deliver to the bidder, as purchaser, a tax invoice for the supply in a form which complies with the GST Act and Regulations.

### SECTION 85c

The actual successful bidder at an auction sale must give to the auctioneer or an employee of the auctioneer on the day of the auction his name or, where he acts as an agent, the name of his principal. It is an offence not to do so.
